PE18-33 Earth Anchor - The 'Hire Industry' Specialist

Introducing the PE18-33 Baytex Earth Anchor

The PE18-33 Baytex Earth Anchor is the revolutionary new 'anchoring' product developed specifically for the 'holding' requirements of tents, marquees and temporary or semi-permanent structures in the Hire Industry. This 'game-changing' product boasts significant benefits over conventional staking methods...

Holding Power

Superior holding power to conventional pegs & stakes

Lightweight

The aluminium advantage: Shipping cost, on-site handling

Durability

Cast aluminium 356 alloy aircraft-quality, heat treated to T6 specification (NO CORROSION)

Ease of Use, Reuseability

Screw in, screw out. No more sledge hammering!

Increased Productivity

Quicker installation than conventional staking

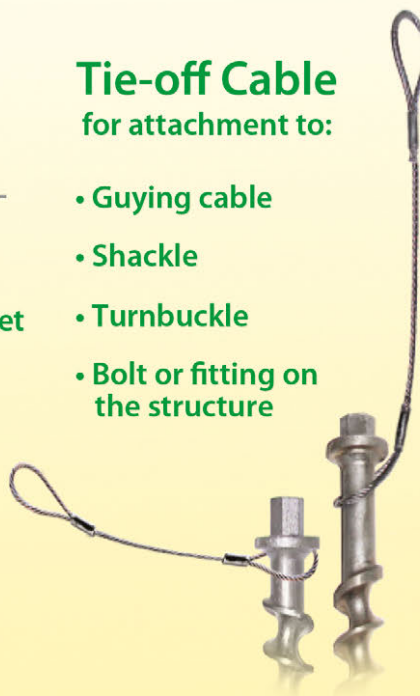

- Soil
- Sand
- Asphalt
- Underwater

PE18-33 (18")

Tie-off Cable for attachment to:

- Guying cable
- Shackle
- Turnbuckle
- Bolt or fitting on the structure

Load Capacity

Field-tested vertical resistance

- | | |
|-------------------|---------------------------------------|
| Soil Class | 1. Hardpan/asphalt: 678 kg |
| | 2. Dense sand or gravel: 450 kg |
| | 3. Medium sandy: 164 kg |
| | 4. Loose medium-to-fine sand: 99 kg |
| | 5. Loose fine uncompacted sand: 55 kg |

Determining load capacity is an inexact science limited by an inexact environment, but carefully conducted testing can provide useful decision-making data. A further awareness of the many variables involved can guide an informed choice of an effective anchoring solution. Our published load capacity numbers, tested in actual field conditions to the best standards that real dirt can provide, are offered as an informed guideline, not a guarantee.

Earth Anchor Tool Options

Recommend Accessories:

1) 1" 6-Sided Long-reach Impact Socket 1/2" Drive

\$17
+gst

2a) Dyna Drill Bit
20 mm x 400 mm

\$133
+gst

2b) Ship's Auger
1 1/16" x 400 mm

\$34.50
+gst

3) 7/16" to 1/2" Hex to Ship's Auger Coupling

\$40.50
+gst

1b) 1" 6-Sided Long-reach Impact Socket 3/4" Drive

\$45.50

3b) 3/4" Hex to Ship's Auger Coupling

Price on Enquiry

Recommended Battery Wrench:

Kit includes Wrench, 2 x Battery Packs, Battery Charger & Hard Case

Milwaukee Cordless Impact Wrench M18 - 1/2" Drive
950 NM Torque - M18CHIWF12-402C

\$793.50
+gst

Milwaukee Cordless Impact Wrench M18 - 3/4" Drive

Price on Enquiry

Alternative Battery Wrenches:

Hitachi 1/2" Drive - 480 NM Torque - WR18DSHC

\$840.00
+gst

Metabo 1/2" Drive - 600 NM Torque - SSW 18 LX600

\$999.50
+gst

Recommended Electric Wrenches:

Hitachi 3/4" Drive - 610 NM Torque - WR 22 SA

\$780.00
+gst

Metabo 1/2" Drive - 600 NM Torque - SSW 650

\$683.00
+gst
