

DESIGNED FOR SIMPLICITY & STYLE.
ALLOWING YOU FLEXIBILITY
TO EXPAND

Baytex Clipframe Mk2 - 6m & 9m Series

The Clipframe has earned a reputation for high quality and is proven to be the fastest erecting marquee in the business.

The modular design allows flexibility to expand.

SIMPLICITY · PERFORMANCE · STYLE

Simplicity, Style, Flexibility

Image Projection

The Clipframe is excellent for promotional use. Project your innovative image, unique logo and identity to the public with this strong, waterproof and wind resistant marquee.

Fabric

All Baytex Marquees have a high tech lacquer surface coating for a smooth, glossy, dirt resistant finish. Fire retardant fabric specially treated to prevent moisture wicking. Choice of Ferrari Translucent or Blockout PVC white or a choice of colours.

High frequency welded for optimum strength, fabricated in NZ.

Hardware

Anodised alloy rail components for light weight strength and durability. High quality electro galvanised steel connectors ensure long lasting, clean appearance. Powder coated alloy castings to minimise fabric damage. Premium NZ sourced.

Specifications

Baytex Clipframe Mk2 Marquees are available as a 10m wide and extendable lengths in 5m bays. Available as a Hip or Gable End. Engineering Certificates available.

All Clipframes are supplied with all hardware, PVC roof, plain PVC walling, pegs & load binders.
