# STRONG LINES & DESIGN FEATURES TO DELIGHT YOUR CUSTOMER

---

## **Baytex SQ Frame**

Modular alloy for a strong look with the simplicity of sliding walls. Spans 10m wide and extends to any length in 5m modules.

SIMPLICITY · PERFORMANCE · STYLE

**Simplicity, Style, Flexibility**

**Fabric**

All Baytex Marquees have a high tech lacquer surface coating for a smooth, glossy, dirt resistant finish. Fire retardant fabric specially treated to prevent moisture wicking. Choice of Ferrari Translucent white, Blockout white, Clear PVC or a choice of colours. High frequency welded for optimum strength, fabricated in NZ.

**Hardware**

Anodised alloy rail components for strength and durability. High quality electro galvanised steel connectors ensure long lasting, clean appearance. Knee and apex braces for additional strength. Powder coated alloy castings to minimise fabric damage. Premium NZ sourced. No external hardware, no heavy valance bar.

**Flooring System available**

**Specifications**

Baytex SQ Frame spans 10m and extends to any length in 5m modules . Available as a Gable End only. Fully Engineered for building consent purposes. Supplied with all hardware, PVC roof, plain PVC walling and if required structure pegs.

**Simple Set Up**

It is simple to erect with no loose bolts and can easily be attached to buildings or used as a free standing unit.

**Linings**

Don't forget to dress your Marquee with our truly elegant Silkline Linings. Baytex is a leading designer and manufacturer of sophisticated Lining Systems for special events.

**Easy to Clean**

The PVC surface can be readily cleaned with a non-bleach mild detergent or Baytex 'Sliktop'.

**Manufacturing**

CAD designed and computer cut for dimensional accuracy. Manufactured onsite at Baytex as for the last 40 years.

26° pitch roof

Great on both sealed and unsealed surfaces. Can easily be attached to a building or used as a free standing unit.

Gable End only
